WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1894.

MAYSVILLE, KY., FRIDAY, MARCH 18, 1904.

ONE COPY—ONE CENT.

THE LAST ROSE OF SUMMER.  
'Tis the last rose of summer,  
Left blooming alone;  
All her lovely companions  
Are faded and gone.  
No flower of her kindred,  
No rosebud is nigh,  
To reflect back her blushes,  
Or give sigh for sigh.

I'll not leave thee, thou lone one!  
To pine on the stem;  
Since the lonely are sleeping,  
Go sleep, thou, with them.  
Thus kindly I scatter  
Thy leaves o'er the bed,  
Where thy mates of the garden  
Lie scentless and dead.

So soon may I follow,  
When friendships decay,  
And from Love's shining circle  
The gems drop away;  
When true hearts lie withered,  
And fond ones are flown,  
Oh! who would inhabit  
This bleak world alone?  
—Thomas Moore.

GRAHAM—CROSBY.

The many friends of Miss Pearl Crosby, daughter of Mr. and Mrs. N. C. Crosby of Orangoburg, will be greatly surprised to learn of her marriage to Mr. R. D. Graham, one of Cincinnati's estimable young men.

The marriage was quietly solemnized at the bride's residence, 450 East Fifth street, Cincinnati, Rev. A. M. Harvot being the officiating Minister. The bride was prettily attired in a trim tailor-made gown, and the groom wore the conventional black.

Mr. Graham had previously prepared a cozy little home in which to receive his bride, and they immediately left for their home.

MRS. MARY A. ROBERSON.

Mrs. Mary A. Roberson, whose critical condition was noted in Wednesday's LEDGER, died at her home in Mayslick yesterday afternoon of consumption, after a protracted illness, aged 66 years.

ANOTHER HEART BROKEN

Alleged that Charles Jefferson Played Mrs. Mamie Flaugher False

Mrs. Mamie Flaugher was interviewing the Chief of Police yesterday in regard to a broken marriage contract between herself and one Charles Jefferson, who not only failed to fulfill his promise but actually married another girl. She wanted redress both for a lacerated heart and money advanced her one-time but recreant lover as well.

She said while he was basking in the sunshine of her affections and possessed her confidence and esteem he secured the money and other articles by artifice, subterfuge and perjury.

The most sensible thing for Mrs. Flaugher to do under the circumstance is to dismiss the man from her mind as unworthy of further consideration or thought.

RUN DOWN, TIRED.

NINE-TENTHS OF THE MAYSVILLE PEOPLE ARE IN THIS CONDITION.

Our Local Druggist, J. C. Pecor, Says "Vinol is What Every Man, Woman and Child Needs at This Season of the Year."

Many people right in this vicinity are all run down, a strength, hardly able to drag about. Don't know what ails them.

In ninety nine cases out of a hundred it is simply a run-down condition of the system—in other words, general debility.

Our Vinol is the one great tonic reconstructer which they need. It will create strength, tone up the digestive organs, cure all stomach troubles, create a healthy appetite, make rich, red blood and strengthen every organ in the body to do its work. It will drive away every feeling of lassitude, heaviness and depression, and infuse new life and energy.

Vinol is not a patent medicine, contains no injurious drugs, but it is the most delicious and valuable preparation of cod liver oil known to medicine, without a drop of oil to retard its work.

Mr. Andrew Jackson of Springfield, O., writes: "Every spring for years I have found myself in a worn-out run-down condition, with no appetite, and before commencing the use of Vinol was practically a dead man on my feet. I tried this wonderful remedy, and am satisfied that it has done for me what doctors have failed to do in all these years. I am well and strong, and my entire system is full of vitality. As a tonic for a run-down, tired, debilitated system Vinol stands at the head."

I wish every man, woman and child in Maysville who is in this condition would try Vinol and prove what it will do. J. C. PECOR, Druggist.

Representative Sam C. Black of Mercer county yesterday morning announced himself as a candidate for State Senator. He is for Blackburn for United States Senator. He will probably be opposed by George Chinn of Harrodsburg, son of Colonel Jack Chinn.

See Paul Revere at the Opera-house Saturday, matinee and night. The matinee prices are 25 cents for children and 35 cents for adults; for night prices see advertisement. Well Again.

The Ohio Democrats seem to be wobbling between Hearst and the deep blue sea.

Just now the Republican party in Kentucky appears to be on pretty fair terms with itself, as compared with the Republican party in Ohio.

A man at Erie, Pa., insured his life on Monday, got married on Tuesday, shot himself on Wednesday and was put in the ground on Thursday. It seems to have been a busy week with him.

RESPONSIVE to President Roosevelt's race suicide lamentation a man named WINSBERGER in Washington has come to the rescue of his country. He weighs 115 pounds, and is the father of four pairs of twins and one set of quadruplets. Of the twelve children eight are alive and two sets of them are old enough to go to school. The President ought to appoint him Chief of the Census Office.—Cattlettsburg Press.

Wouldn't it be more fitting to make him High-Cock-a-Lorum of the "Bureau of Animal Industry?"

BECAUSE some of the high-toned young gentlemen composing the Graduating Class of the Newport High School amused themselves by throwing blank cartridges into the stoves, and the Principal asked the guilty ones to confess, the whole class converted itself into a mob, tore down the pictures, threw the clock on the floor, and broke up the school furniture generally. For these gentlemanly manifestations the whole class has been suspended. Evidently, these chaps ought to matriculate in the Workhouse.

READ IT THROUGH.

'Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth-century phrase, this is an "over true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harrison of Mifflin station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would lose her lungs. I had cured her little boy and Helen giving it to my baby at once and it soon cured her. I heartily thank the manufacturer of Chamberlain's Cough Remedy for placing so good a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was."—Prescribed by J. Jas. Wood & Son.

Suit has been filed at Paducah by Auditor's Agent Lucas against all the State Banks in Kentucky for back taxes for five years amounting in the aggregate to \$2,250,000.

The measure of Kentucky Democracy can be found in the Legislature's refusal to vote a \$15,000 appropriation to repair the monument to HENRY CLAY at Lexington while it voted \$20,000 of the people's money to build a second monument to GOEBEL at Frankfort.

In creating new pauper counties, in voting up a \$20,000 monument for Mr. GOEBEL who was not a Kentuckian, and voting down a monument for ABRAHAM LINCOLN the greatest of all Kentuckians, and in voting to return to the heathenish viva voce system in elections, the Kentucky Legislature in its dying hours came near overshadowing all the good things it had done at the beginning of the session.

The report of a New York scientist shows that paper money is, as the life insurance sharps would say, extra hazardous. In a paper laid before Congress he says two dirty bills were washed and one was found to contain 135,000 bacteria, the other 176,000. Two comparatively new bills contained respectively 2,250 and 2,000 germs. The report concludes: "Upon all were found staphylococci, proving that money may carry disease." Now, in order to save its readers from the dreaded staphylococci, &c., THE LEDGER offers to relieve them of all infected bills in exchange for subscriptions. Don't subject yourself to the awful danger, but come-a-rumin'.

CLAY WASN'T A WARD POLITICIAN.

Louisville Evening Post.

The Lexington people asked in vain of the Legislature an appropriation of \$15,000 for the restoration of the statue of Henry Clay, a distinguished citizen of Kentucky whom we all delight to honor. The friends of Senator Goebel have provided \$15,000 for a monument to that distinguished Democratic leader, but that does not suffice, and \$20,000 have been asked in order to erect a second monument to the Senator. We are to have two monuments to Mr. Goebel and none to Mr. Clay.

Stop... Coughing!

This is not a command—only a suggestion. We suggest that you stop that slight cough before it becomes too late. Oh, times people say "Oh, it is only a slight cough; it will soon wear off." The cough grows worse, and they have to resort to strong medicine and perhaps have a long sickness. If in the beginning they had used a mild remedy they would have saved themselves and others a great deal of trouble and worry. There is nothing so annoying as a hacking cough; it not only disturbs the one who is coughing, but it disturbs and annoys every one who is in hearing. To those who are troubled with a cough we suggest a bottle of...

"DO IT TODAY."

The time-worn injunction, "Never put off till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Schaefer's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. WORKING GIRLS

A Cordial Invitation to Every Sick and Ailing Working Girl.

It is to these girls that Mrs. Pinkham holds out a helping hand and extends a cordial invitation to correspond with her. Her long record of success in treating women's ills makes her letters of advice of untold value to every ailing working girl, and from her wide experience and skill she quickly points the way to health. Her advice is free, and all letters are held by her in the strictest confidence. Address, Mrs. Pinkham, Lynn, Mass. Don't put off writing her until your health is wrecked.

Girls who work are particularly susceptible to female ills, especially when obliged to stand on their feet from morning until night. Day in and day out, month in and month out, the year through, the working girl toils; she is often the bread winner of the family, and must work that others may live; whether she is sick or well, whether it rains or shines, whether it is warm or cold she must get to her place of employment and perform the duties exacted from her.

Among this class the symptoms of female diseases are early manifest by weak and aching backs, pain in the lower limbs and lower part of the stomach; in consequence of frequent wetting of the feet monthly periods become painful and irregular, and frequently there are faint and dizzy spells, with loss of appetite, until life is a burden and it is hard work to drag about. All these symptoms point to a derangement of the female organism, and if taken in time can be easily and permanently cured.

Lydia E. Pinkham's Vegetable Compound

Grateful Words from Working Girls Who Have Been Helped.

"I wish to thank you for the wonderful cure you have discovered for suffering girls. I am a working girl and do not believe there is a girl of my age in the country who has suffered more than I have with female disorders. Although ever so many physicians with their various remedies were tried, nothing seemed to relieve me of the terrible pains, and it seemed as though there was no help for me, until I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound."

"It was like magic, for I had scarcely finished the second bottle when a great change was noticed in my health, and in the three months time I am now well."—Miss M. E. Paulson, 614 Wilkeson, N.J.

"Seeing so many women and girls being helped by your medicine I thought I would try it. I was very irregular in regard to menstruation, and had had no menses for four months. I obtained a bottle of your medicine just to see if I could cure myself without going to a doctor. One bottle gave me great relief, and now I am a different girl altogether. I will never be without Lydia E. Pinkham's Vegetable Compound, as I know I would not be working to-day if I had not used your medicine."—Miss LAURA Hesse, Standard Tea and Grocery Co., 166 Mass. Ave., Indianapolis, Ind.

## Sour Stomach

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and so keep the bowels in good condition. They are very nice to eat."

The shipments of coal are beginning to decrease on account of the falling river.

A coal war is threatened in Cincinnati between the Pittsburgh and Kanawha operators.

Fire insurance underwriters refused to insure the cargo of the Bonanza on her return trip to Memphis.

The Fred Wilson and Sam Clark delivered their towns at Louisville and returned to Pittsburgh with empties.

All the coal towns that went South recently met with no accidents. They were delayed by high winds, but had a good river and made good time.

Suit will be brought by the Pittsburgh and Cincinnati Packet Company for damages sustained to the Virginia in hitting a submerged bridge pier at Steubenville some time ago.

If you want to increase your strength you must add to and not take from the physical. In other words, the food that you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. ## MASS OF SORES

Awful Suffering of a Boy  
from an Itching  
Humour.

## CURED BY CUTICURA

Not One Square Inch of Skin on  
His Whole Body Was  
Unaffected.

"My little son, a boy of five, broke out with an itching rash. Three doctors prescribed for him, but he kept getting worse until we could not dress him any more. They finally advised me to try a certain medical college, but its treatment did not do any good. At the time I was induced to try Cuticura Remedies he was so bad that I had to cut his hair off and put the Cuticura Ointment on him on bandages, as it was impossible to touch him with the bare hand. There was not one square inch of skin on his whole body that was not affected. He was one mass of sores. The bandages used to stick to his skin and in removing them it used to take the skin off with them, and the screams from the poor child were heart-breaking. I began to think that he would never get well, but after the second application of Cuticura Ointment, and with the third and fourth applications the sores commenced to dry up. His skin peeled off twenty times, but it finally yielded to the treatment. I used the Cuticura Resolvent for his blood, and now I can say that he is entirely cured, and a stronger and healthier boy you never saw than he is to-day."

**Thousands Have Kidney Trouble and Never Suspect it.**  
**How To Find Out.**  
 Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What To Do.**  
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

**KODOL**  
 Digests What You Eat  
**Weak Hearts**  
 Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

 Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action.

**Wakeup Children.**  
 For a long time the two-year-old child of Mr. P. L. McPherson, 50 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for his parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.
